

EVOREI

# Blade2

Multifunctional facial hair trimmer

Steel blade

Comb guides x3

Ergonomic  
handle

# Perfect stylization

The Evorei Blade 2 trimmer comes with a set of comb guides (5 mm, 3 mm and 1 mm), letting you precisely stylize your facial hair and trim it to perfect length.

# Feel Fresh

In just one move, you can quickly turn the trimmer into a facial brush that will let you keep your skin clean every day. Blade 2 comes with a brush head that is easy to mount on top of the device.

# Close encounters

Blade 2 comes with a special trimming tip for nose and ear hair. Be confident in every situation, even when someone looks at you closely and inquisitively.

# IPX6

This waterproof trimmer can be washed under running water, making it easy to keep the device clean.

# Power to last

Evorei Blade 2 works for up to 90 minutes on a full charge. You can enjoy using the device many times before having to charge it again, which you can easily do using a USB cable.

min

# A ears

Although hairs in your ears and nose are there for a reason, to keep them safe from dust and other small bits of dirt, they aren't very aesthetic. To get rid of visible hairs in your ears, use a special trimmer tip for Blade 2. Its shape ensures that you won't put it in too deep and damage inner parts of your ear.

# Ergonomic handle

Ease of use is essential! That's why Evorei devices are designed to provide comfort. Our Blade 2 trimmer has an ergonomic handle, making daily hygiene easy and pleasant.

# Modern design

People who use Evorei Blade 2 can enjoy its modern look and intuitive use. The device is universal, letting you stylize every kind of beard, regardless of current trends.

*Cleaning  
brush  
included*

# Steel blade

The Evorei Blade 2 trimmer is fitted with a stainless steel blade that remains immaculate, no matter how often you clean it with water.
