Automatic switching off after **2 minutes** of work

The Evorei Sonic One sonic toothbrush brushes your teeth properly. After switching on, the device works for exactly 2 minutes, which is a recommended time by dentists.

Irreplaceable on your way

Evorei Sonic Travel is a sonic toothbrush battery powered. You can take it with yourself on your trip, on a camping, anywhere where you will find electricity.

Waterproof

IPX7

The Evorei Sonic One sonic toothbrush has IPX7 waterproof protection, so even splashes and washing under running water wouldn't be harmful for it.

Efficiency

by brushing teeth twice a day

Light as a feather

The Evorei Sonic Travel toothbrush weighs only 21 grams, so you can easily pack it in a backpack for a long trip without worrying about the weight.
